

EXHIBITION PACKAGES & VENUE

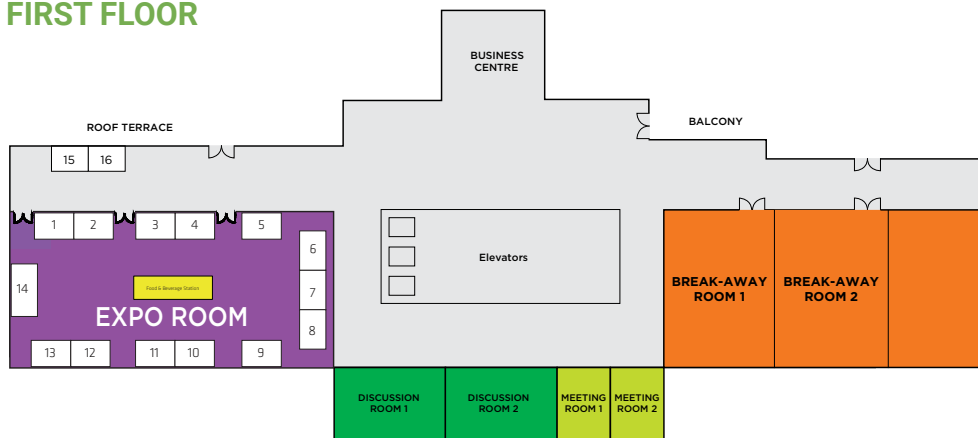

One of the cornerstones of EAPI is our coveted exhibition space. As part of EAPI 2017, we aim to elevate our exhibition offering even further. As one of only 20 exhibitors at the summit, the prime exhibition space on offer ensures maximum visibility for your brand and a bespoke exhibit which allows each organization to speak to its desired audience.

We believe that this is a core element of the EAPI summit, which is why the 2017 space has been organized to ensure the most strategic location for delegates - with direct traffic flow and access from and to the main plenary area, networking areas, meeting rooms and tea and coffee facilities. As this is an integral component of the summit the agenda has also been tailored to include specific times making the exhibition area a focal point for networking in order for our top level exhibitors to get maximum brand exposure.
